

CATALOGUE

We are home-grown.
Hand-crafted.
All-natural & Canadian.
We are Domo Tea.

Our Approach

At Domo Tea we select artisan suppliers who believe, as we do, in using simple ingredients to craft products to meet the highest standards of taste and quality.

Our Pricing

Priced right, but better quality. We strive to offer the highest-quality products at competitive prices.

Our Service

We ship fast and always keep product in stock. Our commitment to great service means we are here to help you. We'll provide training if you need it, and equip you with everything you need to succeed.

Our Products

Domo Tea brands use no artificial sweeteners or colours. We're extremely selective in offering you and your customers unique artisan products made with real ingredients – the perfect compliment to a fun and healthy lifestyle.

CHECK OUT THE GOODNESS >

CERTIFIED STONE-GROUND GOODNESS

A LITTLE DOMO MAKES THE WORLD A BETTER PLACE.

— MARILYN MONROE, PROBABLY

Domo stone-ground latté mixes have a rich silky texture and finely-balanced flavour profile made from all-natural ingredients. No cholesterol and no saturated or trans-fats, just healthy stone-ground teas packed with antioxidants and warm, comforting flavour. We source our matcha from Japan; all other ingredients are purchased locally here in the Lower Mainland, British Columbia.
